

Massachusetts Trial Court FY 2014 Budget Module 6: Drug Court Expansion

The Trial Court will implement a statewide enhancement of the drug court program:

- Drug court programs can **reduce recidivism**:
 - research shows that drug court programs **operated pursuant to recommended standards** reduce recidivism
 - Trial Court working in conjunction with the Department of Public Health to implement this statewide enhancement of the drug court program
- \$529,166 for **drug court program enhancement**:
 - five drug court coordinators
 - ten drug court recovery managers
 - 20 additional drug courts statewide
